Meet our New Chief Administrative Officer - Dean Trumbley

Mr. Trumbley started his new role here at the City of Greenwood in February and brings with him a versatile set of skills with 15+ years of executive/administrative experience working at the local, provincial, federal and international levels. We are very excited to welcome our new Chief Administrative Officer and look forward to what the future holds for the community.

Have you registered your Bees or Hens in Greenwood yet?

Bees and Hens are now legal under Bylaw No. 1003 & 1004, 2023. Please come into City Hall to register your bees and/or hens. Registration is free of charge. Note: Bees also need to be registered Provincially.

Greenwood City Hall Hours of Operation:
Open Monday - Friday : 8:30am - 12pm,
1pm - 4:30pm.
Closed 12 - 1 pm for lunch
Closed Saturdays, Sundays & Statutory
Holidays.

2024 Business Licences

Business Licences renewal fees for 2024 are now overdue. At this time all businesses without a valid licence will be deemed no longer active and will be cancelled. If there are changes to your business licence status, please call or visit City Hall.

Message from the Mayor

Mayor and Council are pleased to announce the appointment of Mr. Dean Trumbley to the position of Chief Administrative Office for the City of Greenwood. Mr. Trumbley and his wife moved here from Falkland B.C, and they will be investing in our community by building a wildlife museum on S. Copper Ave, with a focus on conservation and management. The City of Greenwood has received another dividend cheque from the West Boundary Community Forest in the amount of \$200,00.00.

Picture above: there was a great turnout for the Easter Egg Hunt at the Lions Park on Sunday Mar. 30th. Special thank you to all the sponsors and volunteers.

2024 Second Quarter Utility Bills

Payments for 2nd Quarter Utilities are due June 30th. Payments can be made by mail, drop box on front steps of City Hall, online through CIBC or StellerVista Credit Union or E-transfer. Please send e-transfer to finance.greenwoodcity@shaw.ca and include your account number in memo section. Note: if paying online or by e-transfer please allow processing time of 3 days before months end to avoid any late penalties.

Spring Cleanup

With our early spring weather we have started our annual street sweeping. We will notify residents of the date for the upcoming water main flushes.

Watch our Facebook page for our New "Feel Good Fridays" posts!

Each Friday we will be giving a shoutout to individuals who go above and beyond for our community! We invite you to share a feel good story, moment or person by reaching out to: frontdesk@greenwoodcity.ca

Warm Welcome to our new Bylaw Officer

Please join us in welcoming Tina Lockhart, our new bylaw officer. While Tina joins us for only one day per week, her commitment to upholding standards of safety and order is unwavering. With a keen eye for detail and a passion for maintaining the integrity of our neighborhood, She is here to support our community in fostering a positive environment for all.

Fire Regulations & Information

- Please obtain a burn permit if you plan on doing any burning. Burn permits are issued at City Hall and are free of charge.
- Burn barrels are not permitted within Greenwood

We encourage you to go to www.bcwildfire.ca for more information regarding what can be burned, size restrictions and weather advisories.

Outdoor Water Use Restrictions - Stage 1

The City of Greenwood asks all residents to reduce non-essential water usage to maintain adequate water levels in our reservoir for critical activities like drinking, cooking and fire-fighting. Water is permitted from the hours of 7:00pm to 9:00am, up to a maximum of two (2) hours of watering per day, per household.

Water Conservation

Did you know that the average Canadian uses 329 litres of water per day! With a lower snowpack this year it is up to us to do our part to help conserve this precious resource. Some tips to help conserve:

Outdoors

- Water only when needed and do not overwater.
- Water lawns early in the morning to avoid evaporation. Water slowly and never on a windy day.
- Put an empty tuna can on your lawn. When its full, you will know you have watered enough.
- Watch for leaking taps, sprinklers and hoses.

Indoors

- Instead of running the tap, keep a jug of water in the fridge.
 - Turn off the garburator to save water; compost instead.
 - Turn off the tap when you brush your teeth or shave.
 - Take shorter showers.
 - Be sure to wash full loads of laundry .
- Please drop by City Hall for our Conservation brochure.

Please note City Hall will be CLOSED:

Monday May 20th for Victoria Day reopening with regular hours May 21st @ 8:30 AM and
Monday July 1st for Canada Day reopening with regular hours July 2nd @ 8:30 AM.
